

IMPORTANT BUSING INFORMATION – State of Michigan
 Law concerning the transportation of students to and from school requires that all students be transported to/from their home address unless a special “variance request” is made by a parent and is granted by the school administration. This request is not to be used to facilitate a single day situation. This request is for any extended length of time in excess of one day. Flushing Schools have determined that there will be **NO BUS VARIANCES** granted for the 2008-2009 school year after June 30, 2008. This means, parents who need to send children via bus to daycare, babysitters, etc. must submit their 2008-2009 Bus Variance to the SRS office by June 30, 2008 or your children will be allowed only on their home route bus until the blackout period ends on September 22, 2008. If you need your child to ride a different bus than their home route bus for 2008-2009 you *must* fill out a Bus Variance form between now and June 30, 2008. Parents who **DO NOT** request a Bus Variance by June 30, 2008 must wait until they are again accepted by Flushing Community Schools on September 22, 2008. **Bus Variance requests will not be processed between June 30 and September 22, 2008.**
